40S51U

See a great picture. Stay connected.

Toshiba's S51U LED HDTV delivers first rate visuals, plus Web and home network connectivity.

For those seeking a large LED HDTV, impressive picture quality and connectivity, our 40" class S51U LED HDTV is an excellent choice, blending Toshiba quality and reliability with NetTV and other great features for building out an impressive home entertainment network. Featuring an ultrathin design with a sleek black to silver gradient trim, the S51U looks great in your living room. With built-in WiFi®, you'll enjoy convenient in-home connectivity without the cable clutter.

Key Features:

1080p Resolution

See colors and details like you never have before! Enjoy the highest level of HD picture quality with 1080p Full HD.

NetTV w/Yahoo!® Widgets

Do you ever want to see what's going on in the world without changing the channel? Now you can! TV Widgets delivers everything you need to your TV including news, scores and facebook updates.

Built-in WiFi®

Enjoy convenient in-home connectivity without the cable clutter to stream content from your media server or the internet.

DynaLight™

Increase detail and depth of the images on your screen with DynaLight™, a technology that monitors the brightness level of each video frame, even in low light settings.

USB (Video, Music, Photo)

Easily connect to your favorite videos, music, and photos via USB.
