40SL412U

Live large— right in your living room

A great step up, Toshiba's SL412U HDTV offers excellent big screen LED entertainment and home theater experience at a value.

Consumers wanting to move up to a large LED HDTV will appreciate our model SL412U, offering a choice of big screen sizes, amazing picture quality with exclusive Toshiba technologies, plus great home theater flexibility.

Key Features:

1080p Resolution

See colors and details like you never have before! Enjoy the highest level of HD picture quality with 1080p Full HD.

DynaLight™

Increase detail and depth of the images on your screen with Dynalight™, a technology that monitors the brightness level of each video frame, even in low light settings.

USB Connection

Easily connect to your favorite tunes and photos, create slideshows, or listen to your personal playlists with this feature.

3 HDMI®-CEC

Easily connect to high-definition video, and amazingly immersive surround sound in one cable.

¹While every effort has been made at the time of publication to ensure the accuracy of the information provided herein, product specifications, configurations, system/component/options availability are all subject to change without notice.

²HDMI®-CEC Use of HDMI®-CEC requires an HDMI®-CEC compatible display/peripheral device. Depending on the specifications of your device, some or all HDMI®-CEC functions may not work even if your display/peripheral device is HDMI®-CEC compatible.

³VESA® Mounting Pattern If you decide to wall mount your Toshiba television, always use a UL Listed wall bracket appropriate for the size and weight of the television. Care should be taken to place or install the display where it cannot be pushed, pulled over, or knocked down.
