## EXPERIENCE ENTERTAINMENT AT LARGE

### High-Value LED with New Design

The 39" class Toshiba L22U HDTV gives bigscreen seekers what they crave: big, bold, 1080p, Full HD resolution and energy-efficient LED backlighting at a value others can't beat. And with a sleek new design, it looks great with any décor.

### 1080p Full HD for True Home Theater Quality

Step up to 1080p Full HD<sup>2</sup> with more pixel resolution than standard HD for incredible clarity for your TV and PC.

### New Dynamic Picture Mode

Creates pictures that seem to pop off the screen. The new Dynamic Mode enhances color, sharpness, brightness and contrast to provide incredible picture quality.

### New Audyssey® Audio Technology

Audyssey EQ® provides clear, accurate and natural sound right out of the box. And Audyssey ABX™ (Bass Extension) uses sophisticated driver analysis and low frequency monitoring to extend the range and bass.

### Multiple HD Inputs

Full connectivity with two HDMI® HD Inputs and an HD PC Input, so the TV can also be used as a large PC monitor. (Great for PC gaming!)

LED TV

Offers a picture with deeper blacks, brighter whites and more vivid colors.

1080P FULL HD

Top HD picture quality with 1080p Full HD<sup>2</sup> resolution.

DYNALIGHT®

Dynamic Backlight Control for deeper blacks and more detail.

Dynamic PICTURE MODE

Enhances color, sharpness, brightness and contrast for incredible picture quality.

HDMI® X2

Easily connect to high-definition video and amazingly immersive surround sound in one cable.

USB MEDIA

Easily connect to your favorite tunes and photos, create slideshows, or listen to your personal playlists with this feature.
